Premium Residences

Experience the epitome of luxury at Jhanavi Trishul Alaska, where every detail is meticulously designed to reflect elegance, comfort, and exclusivity. Nestled next to Silk Institute Metro Station, at Talaghattapura, Kanakapura Main Road, this ultra-luxurious high-rise development offers spacious 3 BHK apartments ranging from 1450 to 2100 sq.ft. Each home is a sanctuary of privacy – with no apartments facing each other and 10 feet of open space between units, allowing for exceptional ventilation, natural sunlight, and serene city views.

Jhanavi Trishul Developers is a trusted name in Bengaluru's real estate space, backed by a strong legacy of over 20 years and 20+ successful projects. Known for quality construction, on-time delivery, and a customer-first approach, the brand continues to shape modern living through innovative design and dependable execution. Projects like Jhanavi Alsaka stand as a testament to their commitment to excellence.
